Agenda Item	Discussion	Action/Follow up
Welcome and Announcements	Sarah to take minutes	
Approval of minutes	April minutes	Approved by JB and LP
Updates:	<p>ASAP:</p> <ul style="list-style-type: none"> - Eau Claire County high school SADD groups (Students Against Destructive Decisions) participated in mock car crash scenarios alongside law enforcement and emergency services personnel. <p>The goal of a mock crash activism is to educate teenagers and young adults about the tragedy of traffic crashes — and to reinforce the importance of seat belts, paying attention behind the wheel, driving drug and alcohol free. The mock crash validates the consequences of drinking and driving for the people involved in the crash, as well as demonstrates how impaired driving impacts the community.</p> <ul style="list-style-type: none"> -Sober Truth on Preventing Underage Drinking Act Grants (STOP Act Grants): The goal of this program is to prevent and reduce alcohol use among youth and young adults ages 12-20 in communities. The activities that are implemented in the project will aim to address community norms regarding alcohol use by youth, reduce opportunities for underage drinking by limiting youth access to alcohol, create changes in underage drinking enforcement efforts, address penalties for underage use, and/or reduce the prevalence of negative consequences associated with underage drinking (e.g., motor vehicle crashes, sexual assaults). <p>Alcohol Environment:</p> <ul style="list-style-type: none"> - April/May and September/October tend to have increased community nuisance complaints which leads to increased patrol. Discussed community nuisance along with excessive drinking such as; drinking games, furniture in the yard, and abundance of garbage left over. The issues are addressed the next morning, with a wake-up call from law enforcement, to properly address the property. <p>UWEC:</p> <ul style="list-style-type: none"> -Neighborhood Safety and Quality of Life Tour May 3rd: See Policy Planning for details <p>Healthy Communities:</p> <ul style="list-style-type: none"> -Annual Celebration April 25th: Around 60 community members attended to learn more about the coalition’s accomplishments over the past year. Attendees learned how to maintain and enhance coalition infrastructure. This presentation provided a framework for our action 	<p>ASAP:</p> <ul style="list-style-type: none"> Augusta – April 26th, 1:00pm Memorial – May 17th, 10:00am Regis – May 9th, 1:15pm <p>-Notice of Award – Early summer</p> <p>Health Communities: Looking for feedback from those that attended, and those who didn’t attend, Please take two minutes to fill out this short survey!</p>

	<p>teams and coalitions. It prompted attendees to think about how we can better collaborate in our community in order to product better health outcomes. Action team members stated, Carl was refreshing, and fed off individual responses.</p> <p>-Healthy Communities Champions: Marilyn Skrivseth and UW-Eau Claire were honored for their efforts to make Eau Claire County a healthier place in which to live.</p> <p>-Opioids and Building Community Partnerships: Carl Alves, the keynote speaker from the Celebration provided a deeper dive on how to strengthen community partnerships as a response to the opioid epidemic. The training provided knowledge on opioids, addiction, and its impact on our community. Another event is being planned to discussion the impact of opioids; more details as the event approaches.</p>	<p>Champions: Read more about their work here.</p> <p>-Save the Date: Tuesday, August 20th UW-Eau Claire Davies Center</p>
<p>Policy Planning</p>	<p>Public Excessive Intoxication diversion program: Police Department and Health Department staff are meeting to create educational program (assessment, individual goal setting, and PowerPoint presentation). Projected start date for issuing citations is tentatively planned for after June 1st with the class being offered quarterly. Public Excessive Intoxication is being under the influence of alcohol, use of illicit drugs or improper use of controlled substances. The program will be relevant to all excessive consumption and underage drinking. The University of Wisconsin – Eau Claire will be enrolling students into a similar educational program taught by university staff.</p> <p>Share Research on Commercial Quadricycles or Pedal Pubs: Municipal Options: As of January 1st, 2014, “pedal pubs” became legal in Wisconsin, but can not serve alcohol, passengers are limited to no more than 36 oz of fermented malt beverages (no wine or distilled spirits), drivers cannot consume alcohol (BAC not in excess of 0.02, and may not operate after 10:30 pm. Some municipalities that have adopted the ordinance made some revisions, such as; decreasing the limit to less than 36 ounces of fermented malt beverages, and hours of operation. City of Altoona and Eau Claire are both in discussion of ped pubs brought forth from an interested establishment.</p> <p>Neighborhood Safety and Quality of Life Tour: Starting at the Hass Fine Art Center on May 3rd from 9:00pm – 12:00am with the goal to bring community members together to raise awareness of neighborhood safety and quality of life issues with the intent of creating positive change beginning with public discussion. Approximately, 20 have attended in the past along with 5-6 police officers. A Follow-up Action Planning meeting is scheduled on May 13 from 2:00pm – 3:30pm in the Ho-Chunk room for a debrief of May 3rd.</p>	<p>More details provided at next action team meeting.</p> <p>Do we want to speak at a public hearing on safeguards as an Action Team, Alliance, or community residents? 3 minutes allowed for each speaker.</p> <p>RSVP to Katie via email if attending. Sarah and Lil will be attending from Health Department</p>
