## **Chronic Disease Prevention Action Team**

## 2018-2021 Goals, Objectives, and Data Indicators

### 2018-2021 Goals & Objectives

**Goal 1: Increase Eau Claire County residents' access to healthy foods and beverages through education, outreach, collaboration, and policy.**

**Obj. 1:** By 2020, implement at least three strategies to increase community access to healthy foods and beverages

**Obj. 2:** By 2021, complete at least two collaborative efforts with Eau Claire Healthy Communities Action Teams and other organization to increase education, outreach, and/or policies that provide access to healthy foods and beverages.

**Goal 2: Increase physical activity of Eau Claire County residents through education, outreach, collaboration, and policy.**

**Obj. 1:** By 2021, support, expand, or implement three initiatives or policies designed to engage, improve, and strengthen community connectedness, and/or improve physical environments.

**Obj. 2:** By 2021, complete at least two collaborative efforts with Eau Claire Healthy Communities Action Teams and other organizations to increase education, outreach, and/or policies that encourage screen time reduction and increase physical activity.

### 2018-2021 Data Indicators

Indicator	Eau Claire County	Wisconsin
Food environment index	7.9	8.8
Percent of adults (20+) with body mass index of 30 or greater	28%	31%
Obesity occurrence in WIC-enrolled children 2 to 5 years old	13%	15%
Percent of high school students who played video games or used a computer for non-school purposes for 3 or more hours per day	39%	40%
