Attendees: Abby Hinz (Health Dept), JoAnna Bernklau (Marshfield Clinic), Kelly Lauscher (HSHS), Amanda Schumacher (Family Support Center), Annette Truitte (Restorative Justice), Morrigan Villa (Bolton Refuge House), Emily Carlson (Community), Gina Schemenauer (Health Dept)

1. Welcome & Updates - 5 mins

- a. Welcome to Kelly Lauscher from HSHS to our team! Michael, the new AmeriCorps at the Health Dept. also joined this meeting.
- b. Marshfield is hosting a Ripple Effect documentary at the Presbyterian Church this week. There will be a QPR training blended it with it as well.
- c. Amanda gave an update about Diverse and Resilient (out of Milwaukee). They have a new employee that is interested to come work with us around LGBTQ+ and marginalized population programming. Abby shared that Diverse & Resilient had an updated Safe Dates version that we have access to. We can incorporate some of the lessons, etc. into our programming. State may be doing this already.
- d. [WI DHS- Sexual Violence Prevention Needs Assessment Report](#) – Abby shared this report, which highlights best practices (many of which we are doing) and some we can also strive to improve.
- e. Kelly shared about an event that HSHS is sponsoring called “Parenting teens in the digital age”. It will happen Wed. Nov. 20th at 29 pines. Doors open at 5:30pm, presentation is at 6pm. Jessica Wong is the speaker.

2. Toolkit dissemination plan- 30 mins

- a. Group reviewed business cards, draft email, press release and social media template.
- b. Press release will go out on Sept. 17th. Group members were assigned to different organizations to distribute the toolkit. They were asked to email out using the templated email to their contacts on Sept 17th. Group members will be sent the draft emails on Monday, Sept. 16.

3. Safe Dates Data – 20 mins

- a. Review Exit Surveys
 - i. For all groups that complete Safe Dates, they need to complete an exit survey. Group reviewed survey questions and determined which data to pull in order to help make our case for future Safe Dates funding.
 - ii. Group chose the following questions: 8a, 9d, 9g, 9a, 10b, 10c, 12, 13, 21 expressing your needs and concerns and talking to your parent or guardians about sex and sexual relationships, 22 (shows knowledge)
- b. Sustainability ideas
 - i. Emily started a [google doc](#) about different funding applications for sustainability of the program. If you know other organizations, please add them to the doc!
- c. Changes that will go away when funding ends

-
- i. Money for food, incentives to better participation. Abby's time for coordination will also decrease.
 - ii. There is still some funding left. Talked about buying more books with this funding. Opportunity to talk with schools/orgs that have been implementing the program and see if they have a desire to continue it. Perk of not having funding is that there isn't as many restrictions. We could serve other communities and provide our own training (more focused on safe dates and class management skills. Discussed doing one-to-ones with current safe dates classes they have this fall and see if they would have interest in continuing. Potential budget to continue funding would be for printing (~\$300); training and meetings (to host new facilitators); cost of getting a teacher substitute for the day that the teacher would be able to go to the training (~\$100/day). Abby to look into Hazelton training to see costs; \$3200 for other materials and supplies – participation prizes at the end of each session.
 4. **Screen Time Discussion** – postponed to next meeting
 5. **Domestic Violence Awareness Month – 10 mins**
 - a. If you know of any events happening, please send to Abby.
 - b. Abby and Gina will prepare a social media message around domestic violence.
 6. **Rescheduling Regular Meeting Time**
 - a. Group discussed changing to either the 1st or 2nd Monday of the month from 11:30-1:00pm. Healthy Communities will send an updated meeting notice.
