Healthy Relationship Promotion Action Team

2018-2021 Goals, Objectives, and Data Indicators

2018-2021 Goals & Objectives

Goal 1: To increase healthy relationships in Eau Claire County by educating community members around protective factors and risk factors

Obj. 1: By 2020, distribute resource toolkit to at least 10 agencies to increase knowledge of community resources

Obj. 2: By 2021, implement and/or support at least two evidence-based youth programming that teach skills to *build safe and healthy relationships*.

Goal 2: To promote a culture of healthy social connections among Eau Claire County residents through increased messaging, outreach, and programming.

Obj. 1: By 2021, develop at least four media messages annually around health awareness observances that relate to healthy relationships.

Obj. 2: By 2021, incorporate youth voice into at least three strategies to increase *social connectedness*.

2018-2021 Data Indicators

Indicator	Eau Claire County	Wisconsin
